## Immigrants Arrived.

The following classified statement of the number of bona fide immigrants who have arrived in Manitoba or the Northwest during the first six months of the present year, was furnished by the Dominion Government office:

	Male.	Female.	Total.
January.....	171	182	353
February.....	185	51	236
March.....	1,261	364	1,625
April.....	2,185	451	2,636
May.....	1,821	430	2,251
June.....	1,310	324	1,634
April.....	1,310	324	1,634
May.....	1,310	324	1,634
June.....	1,310	324	1,634
Total.....	6,653	1,634	8,287

The above statement shows that the arrival for the first half of the year is slightly in excess of the total influx of 1896.

## The Value of Salt for Stock.

The French Government Commission appointed to inquire into the use of salt for domestic animals reported on the matter as follows:

1. Salt ought to be given to domestic animals to replace the saline matter washed out of their food by sweating, etc.

2. Salt contented in the feed will prevent wet pasture and food on sheep and prevents foot rot.

3. It increases the flow of saliva, and therefore hastens fattening.

4. In making mixtures of chaff, potatoes, bran, oil cake, etc., salt always ought to be added.

The daily allowance recommended by the Commission was: For a mixed cow or ox, 4 ounces; for fattening oxen, 2 to 4 ounces; for a fattening pig, 1 to 1 1/2 ounces; for lean sheep, 5 to 10; and for a horse, 1 ounce.

## Shooting Matches.

London, July 18.—The mother country has again won the Colapere cup, this making fourteen victories against the Canadians. Last year the home players won the cup. The cup was won by the Canadians in 1926. The cup was won by the Canadians in 1926. The cup was won by the Canadians in 1926.

## SKEETICISM.

By reason of the state of chronic incredulity in which many men pass their lives they miss the good of the world. They think that doubt and unbelief are proofs of wisdom, and through fear of being deceived they refuse to believe in anything.
